The Many Different Faces of Advocacy

Why should I get involved?

- To increase funding that will help find a cause and cure for Alzheimer's disease.
- To establish an accountable system to help finance long term care.
- To ensure that those with Alzheimer's disease and other related dementing disorders receive the best care possible in facilities.
- To build strong partnerships which insure that elderly concerns are appropriately addressed at governmental and community levels.
- To provide individuals with dementing disorders the best quality of life possible.

How do I get involved?

Become an Advocacy Network Member

- Stay informed on issues through Chapter mailings and e-mails
- Contact public officials when you receive ALERTS!

Become a Public Policy Speaker

- Speak at legislative hearings or forums
- Meet with public officials to tell your story

Become an Awareness Supporter

- Oversee Public Policy tables at Memory Walks, health fairs or other events
- Inform individuals about Public Policy efforts at Support Group meetings
