

# alzheimer's association®

**When Alzheimer's disease touches your life, turn to us.**

*November is National Alzheimer's Disease Awareness Month.*

For over 25 years the Alzheimer's Association has been the leader in the fight against Alzheimer's disease through Alzheimer's research and support and by assisting people, family and friends affected by Alzheimer's disease.

## *8th Annual Candlelight Remembrance Service*

*“Celebrating the Light of Hope”*

In recognition of National Alzheimer's Disease Awareness Month, join us as we raise awareness, remember those who fought this disease and celebrate the lives of those who are affected and touched by dementia.
