Promoting Diverse Perspectives:  
Addressing Health Disparities Related to Alzheimer’s and All Dementias  

June 14-16, 2021  
Virtual Conference

Day 1: Monday, June 14, 2021

Welcome Address

Harry Johns, Alzheimer’s Association

Opening Keynote:  
The State of Health Disparities Research and Opportunities for Alzheimer’s and All Dementias

Session 1: Panel Discussion  
Structural Accountabilities to Reduce Disparities in Alzheimer’s and All Dementias

Session chair: Neil Henderson, University of Minnesota

Session 2:  
Environmental and Sociocultural

Session co-chairs: Roland Thorpe, Johns Hopkins University, and Alyssa Gamaldo, Penn State University

Adina Zeki Al Hazzouri, Columbia University  
Elizabeth Rose Mayeda, University of California — Los Angeles  
Bryan James, Rush University  
Amy Kind, University of Wisconsin — Madison

Poster Presentations:  
Highlighting Early Career Investigator Research

Session co-chairs: Gladys Maestre, University of Texas — Rio Grande Valley, and Carl V. Hill, Alzheimer’s Association
Session 3: Panel Discussion
Behavioral Determinants of Disparities in Alzheimer’s and All Dementias

Session chair: Ganesh Babulal, Washington University — St. Louis, and Andrea Gilmore-Bykovskyi, University of Wisconsin — Madison

Paulo Caramelli, LatAm-FINGERS
Ozioma Okonkwo, University of Wisconsin — Madison
Rachel Whitmer, University of California — Davis
Sarah L. Szanton, Johns Hopkins University

Closing Remarks
Maria Carrillo, Alzheimer’s Association

Professional Networking Reception

Day 2: Tuesday, June 15, 2021

Welcome Address
Carl V. Hill, Alzheimer’s Association

Opening Keynote:
The Biology of Aging and Disparities in Alzheimer’s and Other Dementias

Session 1: Panel Discussion
Biological Determinants

Session chair: William Hu, Rutgers University

Jada Benn Torres, Vanderbilt University
Elizabeth Blue, University of Washington
Kacie Deters, Stanford University
Whitney Wharton, Emory University

Session 2:
Research and Training Opportunities

Session chair: Spero Manson, University of Colorado — Denver
Discussion:
Health Disparities Research Lexicon

Session co-chairs: William Hu, Rutgers University, and Andrea Gilmore-Bykovskyi, University of Wisconsin – Madison

Session 3: Panel Discussion
Multilevel Determinants of Disparities in Alzheimer’s and All Dementias with a Focus on Methods and Analytical Approaches

Session chair: Jason Flatt, University of Nevada — Las Vegas

Jennifer Manly, Columbia University
Lisa Barnes, Rush University
Roland Thorpe, Johns Hopkins University
Hector Gonzalez, University of California — San Diego

Closing Remarks

Carl V. Hill, Alzheimer’s Association

Day 3: Wednesday, June 16, 2021

Shoulder Meeting:
Sexual and Gender Minorities; LGBTQ Populations and ADRD

More information to come.

Shoulder Meeting:
American Indian and Alaska Native Populations and ADRD

More information to come.
