Early Stage Engagement Program

EYES ON ART WITH THE FRALIN MUSEUM AT UVA

Join the Alzheimer's Association at The Fralin Museum beginning in February for the return of our Eyes on Art program. This early-stage social engagement program creates a safe and comfortable environment for care partners and those with dementia to engage with art and get creative with a staff-led project of their own. Whether you are an experienced art lover or curious about exploring new ideas, this program provides a great opportunity for engagement.

Please contact the Alzheimer's Association with any questions about whether this program would be a good fit for you or your loved one.

Registration is required. If you are interested, please call 800.272.3900.
