# Hope on the Harbor

Hope on the Harbor is an annual gala that brings together corporate and philanthropic leadership from the Greater Boston area to support the Alzheimer's Association's mission. This premier event raises awareness and funds to support our vision of a world without Alzheimer's and all other dementia.

**Our Vision:** A world without Alzheimer's and all other dementia.

President, The Herb Chambers Companies

*"The Alzheimer's Association is an amazing organization that provided me support and resources that helped me gain control of my life after my diagnosis. Not only did they help me learn to live with my younger-onset Alzheimer's disease, they helped me adapt so I could live well with my disease. I have been very impressed with how the Association has taken a leadership role in dealing with issues surrounding current treatments, regulatory issues, and worldwide Alzheimer's research. I'm even more impressed when I see the many different things it is doing that will significantly improve our lives tomorrow and into the future!"*
