

MINDS ON ART

Minds on Art, done in collaboration with the Detroit Institute of Arts, is a free five-week program for people living with Alzheimer's disease and other dementias and a companion. This is a unique opportunity for individuals in the early and mid stages of the disease to create meaningful experiences together through art. No artistic experience required! These activities provide cognitive stimulation, encourage socialization, help reduce stress and anxiety, as well as enrich relationships and promote self-expression. Registered participants asked to attend at least 3 out of 5 sessions. FREE parking is provided.

JOIN US FOR THIS FREE ART SERIES!
