

2025 DEMENTIA PROFESSIONAL TRAINING

DSS-Approved Professional Staff Virtual Training

Give the Memory Care team at your facility the tools they need for their 2025 training requirements with the DSS approved highly interactive, VIRTUAL training, presented by Alzheimer's Association. Thanks to a special supplemental grant, the cost for virtual sessions are **free of charge**. These proven programs meet the training requirements of the Virginia Department of Social Services (LIC-21-025). The format is designed to provide Virginia's long-term care workforce with Dementia Specific training.

Registration is required and space is limited. Certificates of Attendance will be issued when the training is completed. The log-in information will be sent to you 24 hours prior to your session. **Contact Sharon Napper for additional information at shnapper@alz.org.**
