

AGENDA

TUESDAY, MAY 16

8:30-9 a.m.

Welcome Remarks

Debra Houry, M.D., Centers for Disease Control and Prevention
Tisamarie B. Sherry, M.D., U.S. Department of Health and Human Services
Joanne Pike, DrPH, Alzheimer's Association

9-9:10 a.m.

Addressing Dementia Risk from the Lived Experience Perspective

Dan Jaworski, Alzheimer's Association National Early-Stage Advisor

9:10-9:50 a.m.

Opening Session: Modifiable Risk Factors for Cognitive Decline & Dementia

The State of the Science

A summary of the population-level evidence of the modifiable risk factors that have the strongest evidence of a link to cognitive decline and dementia

Maria C. Carrillo, PhD, Alzheimer's Association

From Data to Action

A review of the prevalence of modifiable risk factors for cognitive decline and dementia—and how public health can use the data to drive action on dementia

John D. Omura, MD, Centers for Disease Control and Prevention

9:50-10:10 a.m.

Outline of Summit

Wayne H. Giles, MD, University of Illinois Chicago, Summit Co-Chair
Jewel Mullen, MD, University of Texas at Austin, Summit Co-Chair

10:10-10:30 a.m

Break

10:30 a.m.-12:15 p.m.

Prevention Level Session 1: Fostering Coalitions & Partnerships

How public health can achieve greater impact by convening groups and individuals — and partnering with others — to create “critical mass” behind addressing dementia risk factors.

Chair: Marcia G. Ory, Ph.D., Texas A&M

Speakers:

Janet Wright, M.D., Centers for Disease Control and Prevention
Jennifer Carson, Ph.D., University of Nevada, Reno
Kina L. White, DrPH, State of Mississippi
Beth Sulkowski, Alzheimer's Association South Carolina Chapter
Alan B. Stevens, Ph.D., Baylor Scott and White Health

12:15-1 p.m.

Lunch

Courtesy of the CDC Foundation

1-2:45 p.m.

Prevention Level Session 2: Changing Organizational Practices

How public health can encourage workplaces and other organizations to adopt practices, policies, and norms to improve the health conditions related to dementia risk among their employees and members; how public health can work with various organizations to promote dementia risk reduction.

Chair: Laura Linnan, Sc.D., University of North Carolina

Speakers:

Guadalupe X. Ayala, Ph.D., San Diego State University

Lori Carter-Edwards, Ph.D., Kaiser Permanente Bernard J. Tyson School of Medicine

Paul Estabrooks, Ph.D., University of Utah

Kelly O'Brien, MPA, UsAgainstAlzheimer's

2:45-3:05 p.m.

Break

3:05-4:50 p.m.

Prevention Level Session 3: Educating Health Systems & Providers

How public health can educate providers about dementia risk factors and influence health systems to promote dementia risk reduction through policies and systems change.

Chair: Mehul Dalal, M.D., City of New Haven, Connecticut

Speakers:

Nicole Alexander-Scott, M.D., Nicole Alexander-Scott, LLC

Landis Coghlan, M.D., Kaiser Permanente

Sean Jeffery, PharmD, University of Connecticut

Shellie Williams, M.D., University of Chicago

4:50-5 p.m.

Day 1 Wrap-Up

Wayne H. Giles, M.D., University of Illinois Chicago, Summit Co-Chair

Jewel Mullen, M.D., University of Texas at Austin, Summit Co-Chair

5 p.m.

Adjourn

WEDNESDAY, MAY 17

8:30-8:50 a.m.

Welcome Remarks

Karen Hacker, M.D., Centers for Disease Control and Prevention
Wayne H. Giles, M.D., University of Illinois Chicago, Summit Co-Chair
Jewel Mullen, M.D., University of Texas at Austin, Summit Co-Chair

8:50-10:35 a.m.

Prevention Level Session 4: Influencing Policy & Legislation

How public health can influence changes in local, state, and national laws, regulations, and policies—or improve enforcement of existing laws—to promote healthier conditions related to dementia risk.

Chair: Amy A. Eyler, Ph.D., Washington University in St. Louis

Speakers:

Laurie P. Whitsel, Ph.D., American Heart Association
Héctor Carrasco, M.D., State of Tennessee
Sarah Lenz Lock, JD, AARP
Sarah Blenner, JD, University of California, Los Angeles

10:35-11 a.m.

Break

11 a.m.-12:30 p.m.

Prevention Level Session 5: Strengthening Individual Knowledge & Skills

How public health can increase an individual's resources and capacity for addressing dementia risk factors.

Chair: Uchechi A. Mitchell, Ph.D., University of Illinois Chicago

Speakers:

Lauren Hale, Ph.D., Stony Brook University
Susan Aguiñaga, Ph.D., University of Illinois Urbana-Champaign
Constantina Mizis, Latino Alzheimer's and Memory Disorders Alliance
Shannon Jarrott, Ph.D., Ohio State University

12:30-1:15 p.m.

Lunch

Courtesy of the CDC Foundation

1:15-2:45 p.m.

Prevention Level Session 6: Promoting Community Education

How public health can reach the population at large — and specific groups of people — with information and resources for improving health factors related to dementia risk.

Chair: Benjamin A. Shaw, Ph.D., University of Illinois Chicago

Speakers:

Molita Yazzie, MSc, International Association for Indigenous Aging
Chelsea Ridley, MPH, State of Tennessee
Gina Green-Harris, MBA, University of Wisconsin
Daniela B. Friedman, Ph.D., University of South Carolina

2:45-3:15 p.m.

Break

3:15-4:15 p.m.

Panel Discussion: Social Determinants of Health & Dementia Risk

A conversation about public health's role in addressing risk for cognitive decline and dementia through a focus on social determinants of health.

Moderators: Wayne Giles, M.D., University of Illinois Chicago
Jewel Mullen, University of Texas at Austin

Panelists:

Craig W. Thomas, Ph.D., Centers for Disease Control and Prevention
Marcus Plescia, M.D., Association of State and Territorial Health Officials
Gabriel Kaplan, Ph.D., Sonoma County, California
John R. Lumpkin, M.D., Blue Cross and Blue Shield of North Carolina
Shamarial Roberson, DrPH, Indelible Solutions

4:15-4:30 p.m.

Summit Wrap-Up

Wayne H. Giles, M.D., University of Illinois Chicago, Summit Co-Chair
Jewel Mullen, M.D., University of Texas at Austin, Summit Co-Chair

4:30 p.m.

Adjourn
