

dementia caregiving in oregon

DATA FROM THE 2015 BEHAVIORAL RISK FACTOR SURVEILLANCE SYSTEM

In Oregon, nearly 60 percent of all adults providing unpaid care to loved ones with Alzheimer's or another dementia have been doing so for at least two years.

Nearly one-third of Alzheimer's and dementia caregivers provide 20 or more hours of care per week.

More than one in four dementia caregivers are in the "sandwich generation" – caring for both someone with dementia and a child or grandchild.

Percent of dementia caregivers providing care for at least 2 years

Characteristics of Alzheimer's and Other Dementias Caregivers

Gender		Age		Hours of Care per Week		Caring for Parent or Parent-in-law	Also Caring for Minor
