MAKE A DIFFERENCE:  
VOLUNTEER WITH THE  
ALZHEIMER’S ASSOCIATION

Millions of Americans are impacted by Alzheimer’s disease, and you can do something to help by becoming an Alzheimer’s Association® volunteer. Our ability to reach and support those affected depends on people like you who are dedicated to the fight against this disease.

As an Association volunteer, you can use your unique talents to make a meaningful impact in your community while connecting with others who share your passion. Find the role that’s the best fit for you!

Support Group Facilitator - Create a safe, open environment where people share their feelings, thoughts and experiences in a combined effort to better cope with and manage the shared problems of dementia. As facilitators, individuals may be responsible for general caregiver, adult children, spouse, gender-specific or language-specific groups. (Ashtabula, Cuyahoga, Geauga, Lake, Lorain counties)

Community Representative - Cultivate community relationships by identifying opportunities to promote Association programs and services, presenting brief overviews and attending health fairs and other community events in an agreed upon region of our service area (Ashtabula, Cuyahoga, Geauga, Lake and Lorain counties) to share information about Alzheimer’s disease and Association services.

Office Volunteer – Help with data entry, packaging materials, preparing mailings and/or making phone calls at our Beachwood office.
