YOU CAN DONATE TO ANY OF THE CENTRAL & WESTERN KANSAS WALKS THROUGH DECEMBER 31, 2024

Our last Walk to End Alzheimer's is in Wichita on October 25, but if you missed any of our other Walks, you can still donate to any of them through the end of the year. Help us make our goals by donating to a walker's fundraising page or make a general donation to any Walk. Let's make this Walk season a record breaker!
