

## The Catalog

The screenshot displays the Alzheimer's Association Green-Field Library website. The header features the Alzheimer's Association logo and the library name. A navigation bar includes links for Home, Start, Search, Lists, and Help. The main content area is divided into three columns. The left column, titled 'In this section', lists various resources like 'At a Glance', 'Kids & Teens', 'DVDs', 'Photographs', 'How to Borrow', 'Ask a Librarian', 'Resources', 'PubMed', 'Worldcat', 'Brochures & Reports', 'Recommended Books', 'Recommended Videos', 'Resource Lists', 'Web Sites', 'Other Libraries', 'National Library Service for the Blind and Physically Handicapped', 'Other Resources for the Visually Impaired and Dyslexic', and 'Links'. The middle column, titled 'Begin here with these search options.', provides a carousel of book covers: 'Excellence in Dementia Care', 'Falls in Older People', and 'Finding Meaning in the Experience of Dementia'. Below the carousel is an 'Icon Search' section with buttons for Author, Title, Subject, and All. The right column, titled 'Announcements', includes a weather forecast link, the library name, a 'Search on the go!' section with a bookmark link, a 'New or updated!' section with links to Resource Lists, Jumpstarters, Free Videos, Open Access (free) Articles, and Journals held by the library, and a 'Contact' section with a phone number and a 'Live help online' link. The bottom of the page features a 'Search types' section with 'Simple search' and 'Browse search' options.

Ask a Librarian

Finding materials in the Green-Field Library collection.

If you're looking for a particular book or video on Alzheimer's disease or other dementias, search the [Online Catalog](#) to see if we own it. Once you find what you need, check out the information on [How to Borrow](#)

Here's how to start your search.

- First, choose from 3 methods of searching.
  - Simple Search**
  - Browse Search**

- What's in the catalog? Titles of book, journals, and videos like DVD and VHS
- What's not in the catalog? Fulltext of books, articles or clips of videos

- **Advanced Search**

### Advanced Search Tips

**Select field:** Select **Word(s)** to search keywords or a phrase. Select a field (e.g., **Subject**) to limit the search to a particular field.

**Search:** Enter the terms to be searched. Terms may be entered as keywords or a phrase. When performing multiple searches, select an operator between searches. To perform multiple searches, select an operator (see below); otherwise, click on **Search** to execute your search. Click on **Start Over** to clear the search fields and selected options.

**Operator:** Select **AND** to narrow results to records containing both search queries. Select **OR** to expand results to records containing either search query. Select **AND NOT** to limit the results to records containing the search query but specifically exclude records containing the following query.

### Simple Search Tips

**Search:** Enter the terms to be searched. Terms may be entered as keywords or a phrase. Click on **Search** to execute your search. Click on **Start Over** to clear the search field and selected options.

**Options:**

**Matching:** Select **Match ALL Keywords** to narrow your search using AND (Term1 AND Term2 AND Term3). Select **Match ANY Keyword** to expand your search using OR (Term1 OR Term2 OR Term3). Select **Exact Phrase** to limit your search to the terms as entered (no variations of each keyword) and in the order entered. Select **Spelling Variations**, **Synonyms**, or **Related Words** to expand keyword matching to include variations of the terms entered. **Alternate display:** **Search collections:** If your library has enabled search collections, select whether to search **hard-copy** and/or **electronic resources**.

**Find:** If your library is set up to return media separately, enable this option to include media in the search results. If your library is set up for full-text searching, enable this option for full-text searching of linked documents.

- In **Simple Search**, type a keyword that relates to your topic like *activities* or *bathing*.
