Our Mission and Vision

Alzheimer's disease is a global crisis with a significant local impact

Alzheimer's is a progressive and fatal disease, which is devastating our families, our finances and our future. As the leading voluntary health organization in Alzheimer's care, support and research, the Alzheimer's Association® addresses this global crisis by providing education and support to the millions who face dementia every day, while advancing critical research toward methods of treatment, prevention and, ultimately, a cure.

HUDSON VALLEY AND ALZHEIMER'S

The Hudson Valley Chapter serves seven counties in New York, including Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster, and Westchester.

Approximately 40,000 Hudson Valley Residents Live with Alzheimer's or a related disorder. Tens of thousands of families are facing this progressive disease which is devastating our families, our finances and our future.

Thanks to the support of businesses and individuals like you, Hudson Valley residents affected were given access to a wide range of free services and resources last year, including educational programs, support groups, and social programs for those living with the disease and their families.
