

# PEERS & PARTNERS

## EARLY STAGE SUPPORT GROUPS

## What is Peers & Partners?

Peers & Partners is a specialized early stage support group for people recently diagnosed with early stage Alzheimer's disease or another form of dementia and their care partner(s). Join others who understand what you are going through for support, information and education. Two sessions meet at the same time in different rooms; one for those with early stage dementia and the other for their care partners.

- Peers & Partners early stage support groups are offered in Norfolk and Newport News.
- The program is designed for people with early stage dementia to attend with their care partner(s).
- An interview is required for enrollment.
