alzheimer's association®
Alzheimer’s by the Numbers:

- Alzheimer’s is the 6th leading cause of death in the U.S.
- An estimated 5.4 MILLION people in the U.S. have Alzheimer’s disease.
- In 2017, Alzheimer’s and other dementias will cost the nation $259 BILLION.
- The Alzheimer’s Association is the largest nonprofit funder of Alzheimer’s research. We have funded more than $375 MILLION in Alzheimer’s science since our founding in 1980.
- More than 5,000 Californians and Nevadans volunteer with us.
- We offer more than 150 support groups in Northern California and Northern Nevada.
- The vast majority of our programs and services are free of charge – $0 – for individuals and families coping with dementia.

Our vision: A world without Alzheimer’s disease

The Alzheimer’s Association is your 24/7 resource for help, information, education and the opportunity to make a difference in the fight against Alzheimer’s disease. Located in communities throughout Northern California and Northern Nevada, we’re the leading voluntary health organization in dementia care, support and research.

We offer a broad range of programs and services for individuals and families coping with Alzheimer’s, mild cognitive impairment, dementia with Lewy bodies, vascular dementia, Parkinson’s, frontotemporal dementia, and related disorders.

Our programs and services include:

Support
We offer specialized meetings and information for individuals with early stage Alzheimer’s disease or a related disorder, often with concurrent meetings for family members.

Caregivers and others can attend local support groups or speak to a family care specialist who can assist with care planning and managing challenging situations.

Education
Family and professional caregivers can get information from our community presentations, conferences, free brochures and other publications.

Resources
Our website at alz.org® offers a wealth of information about Alzheimer’s disease, ongoing research, clinical trials, diagnostic centers, community resources, safety information, and ways to get involved. Both our website and helpline provide information in multiple languages.

For more on these and other Alzheimer’s Association programs and services, contact us 24/7 at: 800.272.3900 | alz.org/norcal

Be a Voice
Help us urge legislators to pursue policies that benefit families coping with Alzheimer’s disease — including increased federal funding for Alzheimer’s research, care and support. Sign up at alz.org/advocacy.

Help Us End Alzheimer’s
We’re on the move to end Alzheimer’s disease through our signature fundraising events, Walk to End Alzheimer’s® and The Longest Day®. The Alzheimer’s Association relies entirely on contributions from events like these and donations from the community to provide services, programs, and research funding. Start a team at alz.org/walk or alz.org/tld.

Subscribe
Subscribe to our e-newsletter at alz.org/norcal. You will receive weekly updates on the latest research, education announcements, caregiver stories and more!

Volunteer
We offer a variety of volunteer opportunities for anyone ready to give their time to the Alzheimer’s cause. Contact us at norcal-info@alz.org for more information.
