understanding memory loss: strategies for success IX

Dementia: Transforming the Journey with Teepa Snow

A Napa Valley Education Conference for Family Caregivers and Professionals

Get ready for a day of innovative learning through a series of vignettes and live performances starring Teepa Snow!!

The Alzheimer's Association, in partnership with Collabria Care, Healthy Minds Healthy Aging, and Senior Helpers presents its ninth annual education conference in Napa Valley. Teepa Snow is one of the leading educators on dementia care, and during this full-day conference she will address practical ways to recognize the presence of Alzheimer’s disease or a related dementia, as well as understand its progression and behaviors that affect caregiving.
