Leading experts will convene at the virtual Alzheimer's Association International Conference® (AAIC®) Satellite Symposium to discuss the latest findings and explore emerging dementia research and ideas in the Mediterranean region. To attend, register at [alz.org/greece](http://alz.org/greece).

Sessions are listed in Eastern European Standard Time (Athens, Greece). Schedule is current at time of posting. Content is listed as submitted.

## POSTER PRESENTATIONS

Beginning May 12, explore posters from across the world and leave comments for authors around the clock on the virtual platform. Poster topics address basic and translational science, diagnosis and prognosis, public health and psychosocial factors, therapeutics, public policy, and social justice and equity.
